The UCSB Society for Advancement of Chicanos/Hispanics and Native Americans in Science (SACNAS) Career Pathways Program is currently accepting grant applications for travel/experience dates through December 31, 2022. The goal of the program is to provide opportunities for students to engage in professional development or training that will inform and prepare them for post-graduation career opportunities or advanced academic pursuits.

Priority Consideration Deadline for Fall 2022 awards:
August 21, 2022

Eligibility:
- All currently enrolled full time UCSB undergraduate STEM majors
- US Citizens or Permanent Residents
- Priority will be given to students who demonstrate financial need and/or identify as being from a group underrepresented in their discipline

Grants will support opportunities for professional development or training, examples include:
- Attending or presenting at scientific conferences (e.g., SACNAS, SHPE, NSBE, APS, AAAS, etc.)
- Visits to graduate school programs
- Group visits to job shadow at a company

Selected students are eligible to receive up to $1,000.
