

# NanoDays™

**The Biggest Event for the Smallest Science!**

**Size Matters! Discover a world smaller than a hair on the eye of a bee. Things this small behave differently than you might expect.**

**Zoom into the human hand or a leaf and experience a world that only the world's most powerful microscopes can reveal.**

**Join us for NanoDays and explore the science of small things.**

**All festival activities included with admission.**

***Sunday Free Admission!***

***Sponsored by the National Nanotechnology Infrastructure Network, the California NanoSystems Institute, the Center for Nanotechnology and Society at the University of California Santa Barbara, and the Santa Barbara Museum of Natural History.***

**April 14–15**  
**Sat 11–3 pm**  
**Sun 12–4 pm**
